

## LTI Instructor Help Guide: MacMillan Learning

## Setting Up MacMillan Learning Integration

MacMillan Learning enables the delivery of live or recorded lectures, engages students interactively, assigns and assesses homework, and more. To add MacMillan Learning to a Module:

1. Select the course in which you'd like to activate MacMillan. On that course page, click on 'Content.'

2. Once on the content page, select the module in the left column you want to add MacMillan Learning.
