# EVENT RECAP

## WELCOME BBQ

We had the annual Welcome BBQ a few weeks back and it was so nice to see everyone together! From MS1s freshly coated to MS4s working on their ERAS applications, it was great to gather and celebrate the start of the new year.

Thank you to everyone who participated in the annual Med Lambda tie-dye scrub event! This event has been paused for the past few years due to Covid, so it was so nice to be able to bring it back. We look forward to seeing everyone's scrubs in the anatomy lab!
