JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Serves as project manager responsible for overseeing and coordinating all aspects of small to mid-sized construction projects. Creates project objectives and work scope. Creates and implements project execution and construction management plans and procedures, and communication and risk mitigation plans. Develops project reports required to keep all relevant parties informed on status of time and cost elements of project.				
Overviews and coordinates planning, design, design phase estimating and monitoring of construction by the architect/engineers of project to ensure its delivery in accordance with construction contract and university requirements and standards. Collaborates with design and construction professionals from various disciplines to ensure successful integration of design and construction and development of drawings and specifications that ensure successful delivery of project within budget and on time.				
Establishes schedule that meets client's needs. Monitors and controls schedule throughout project delivery cycle to ensure that project is delivered within client's time expectations.				
Collaborates with client and city officials to facilitate timely and effective participation in the project.				
Oversees project team members, consultants and contractors allocated to project. Identifies potential problems and resolves all project issues in a time effective manner.				
Has responsibility for establishing a quality management plan that meets university quality expectations for the project. Monitors and controls quality process throughout the project delivery cycle to ensure conformance with quality requirements.				
Develops and manages project budgets and schedules in conformance with available funds and work scope that delivers agreed programmatic requirements. Reviews changes requested by project stakeholders and provides advice and recommendations to supervisor on budget, time, and scope implications. Monitors and controls costs throughout project delivery cycle to ensure project is delivered within clients' cost expectations. Authorizes expenditures and monitors account reconciliation and status to ensure compliance with university guidelines and policies. Prepares and/or directs the preparation of financial reports as required and requested.				
Performs other related duties as assigned or requested. The university reserves the right to add or change duties at any time.				

Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law

	efforts, and mobilize other staff members if needed.		and USC's policy at: https://policy.usc.edu/mandated-reporters/
<i>Campus Security Authority (CSA)</i>			<i>Essential:</i>
By virtue of the associated job duties, this position qualifies as a Campus Security Authority as required by law and USC's policy at: https://dps.usc.edu/alerts/clery/			Yes

ACKNOWLEDGMENTS

The above statements reflect the essential and non-essential functions as necessary to describe the principle contents of the job. They are not intended to be a complete statement of all work requirements or duties that may be required of the position. I understand that I may be asked to perform other duties as assigned. USC reserves the right to add or change duties at any time.

The University of Southern California is an Equal Opportunity Employer. USC prohibits discrimination on any basis protected under federal, state, or local law, regulation, or ordinance or university policies. All employment decisions are based on individual qualifications and business need.

I acknowledge receipt of this job description and its associated physical requirements. I have read and understand the job description and job requirements and agree to abide by their contents. I realize that duties may be requested of me that are not specifically stated herein. I understand that I will be expected to adjust to potential fluctuations in work volume. I understand that, if I have any questions about the essential functions or expectations of my position, my supervisor and/or HR partner are available to discuss them with me.
