Other Job Factors

JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Coordinates and manages the clinical data for various phases of clinical study. Ensures data is documented and recorded as appropriate. Reads and understands clinical data from medical records and assists in obtaining outside documents. Extracts and enters required clinical data from medical records and patient research charts/reports into Clinical Research Forms (eCRFs/CRFs). Notifies PI or Study Coordinator of issues or violations.				
Acts as primary site contact with sponsor's Clinical Research Associate (CRA) for externally sponsored trials. Provides timely data entry, plans and organizes monitoring visits and responds to inquiries. Addresses all queries during and after audit for resolution.				
Maintains currency of federal regulations governing the protection of human subjects such as Food and Drug Administration (FDA), Good Clinical Practice/International Conference on Harmonisation (GCP/ICH) guidelines, Office of Human Research Protections (OHRP), Health Insurance Portability and Accountability Act (HIPAA), rules concerning reporting of Serious Adverse Events (SAEs) and violations with department training and feedback.				
Interacts closely with quality assurance teams to ensure data accuracy on Clinical Research Forms (eCRFs/CRFs) prior to submission for in-house, National Cancer Institute (NCI) sponsored and Cooperative Group studies. Discerns basic data discrepancies/protocol violations.				
Performs follow up for study patient survival by reviewing medical records. Contacts other institutions for data on patients hospitalized at other institutions.				
Assists with study specimen procurement and handling.				
Participates and attends internal and external new protocol start-up orientations and completes required protocol specific training.				
Prepares and participates in audits of assigned studies such as National Cancer Institute (NCI), Food and Drug Administration (FDA) and pharmaceutical audits.				
Participates in Quality Assurance Monitoring Committee (QAMC) in-house audits by reviewing assigned patient chart and reporting on findings as relates to protocol/patient compliance.				
Completes spreadsheets for industry studies in real time to ensure sponsor is invoiced appropriately and timely.				
Ensures confidentiality, accuracy, security and appropriate access of all data and records.				

Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response efforts, and mobilize other staff members if needed.		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law and USC's policy at: https://policy.usc.edu/mandated-reporters/

<i>Campus Security Authority (CSA)</i>	<i>Essential:</i>
By virtue of the associated job duties, this position qualifies as a Campus Security Authority as required by law and USC’s policy at: https://dps.usc.edu/alerts/clery/	No

ACKNOWLEDGMENTS

The above statements reflect the essential and non-essential functions as necessary to describe the principle contents of the job. They are not intended to be a complete statement of all work requirements or duties that may be required of the position. I understand that I may be asked to perform other duties as assigned. USC reserves the right to add or change duties at any time.

The University of Southern California is an Equal Opportunity Employer. USC prohibits discrimination on any basis protected under federal, state, or local law, regulation, or ordinance or university policies. All employment decisions are based on individual qualifications and business need.

I acknowledge receipt of this job description and its associated physical requirements. I have read and understand the job description and job requirements and agree to abide by their contents. I realize that duties may be requested of me that are not specifically stated herein. I understand that I will be expected to adjust to potential fluctuations in work volume. I understand that, if I have any questions about the essential functions or expectations of my position, my supervisor and/or HR partner are available to discuss them with me.
