JOB ACCOUNTABILITIES

	<i>% Time</i>	<i>Essential</i>	<i>Marginal</i>	<i>N/A</i>
Understands and applies HR best practices and key data to contribute to unit/enterprise near and long-term strategies. Possesses an understanding of the strategic relationship between HR services and business functions, strategies and goals, leveraging expertise in many areas (e.g., HR client services, employee relations, change management) to guide HRP's in providing strategic direction to business units. Partners with solution center staff to coordinator transactional volume, communicate satisfaction/dissatisfaction about service levels, and advise on any training or knowledge content.				
Defines comprehensive organizational and workforce strategies, working across HR functional areas to ensure teams are equipped with relevant and current data, analytics, policy and industry knowledge to effectively serve clients. Creates systems and business processes enabling deliverables to be met in concert with deadlines. Helps establish near and long-term HR strategies and goals within the HRP community and supported business units to achieve desired outcomes. Analyzes current/anticipated conditions and limitations that may affect ability to achieve strategic outcomes.				
Sets HR partner strategies for designated units based on best practices and talent/organizational data and equips HRP's with tools necessary to act as outstanding strategic advisors. Disseminates unit, university and HR strategies to the HRP unit team, discussing key elements and individual responsibilities. Works with leadership to establish plans to transform the HRP role from a tactical to strategic HR service provider (e.g., design/implementation assessments, gap analysis, up-skilling/learning initiatives).				
Emphasizes the importance of service excellence by interweaving it into project details, measurements and development and training of the team. Ensures strategies and services both support the university's mission and values and comply with university, state, and federal policies and regulations. Interacts regularly with stakeholders to collect feedback and continuously improve services. Continues to develop objectivity and critical-thinking skills to make sound judgments based on keen analysis and best practices. Escalates issues in a timely manner when needed.				
Oversees large team of HRP's providing client services for varied groups across the university. Guides team with strategic direction and leadership, contributing to immediate and larger, long-term goals. Manages HRP team workload and redistributes resources as required. Partners with directors and HRP's to define learning and career mobility opportunities. Employs high ethical and equitable management standards creating a high performing and engaged team. Builds an effective internal/external network to understand units' business needs and deliver appropriate support. Maintains open lines of communication with direct reports to understand existing challenges and discuss improvement opportunities.				
Drives people analytics to enable data-driven decision making and continuous improvements. Integrates USC's values (e.g., integrity, accountability) throughout all organizational and HR practices. Promotes an environment that fosters inclusive relationships and creates unbiased opportunities for contributions through ideas, words, and actions that uphold principles of the USC Code of Ethics.				
Ensures senior leadership and relevant stakeholders are informed in a timely manner of pertinent regulatory changes that may affect operations. Reassigns staff responsibility as needed to avoid challenges or roadblocks to success. Establishes and maintains appropriate network of contacts and memberships in professional organizations.				

Other Requirements
