Other Job Factors

JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Manages complex financial reporting and analyses to assist a large school or division or the Board of Trustees and other areas of the organization in business and financial short and long-term planning. Plans, designs, develops and implements strategic and complex short and long-term projects of a financial or business nature requiring identification, research, extraction of data, interpretation, analysis, evaluation and summation of findings. Plans, coordinates, schedules and organizes project activities to meet objectives. Presents results formally to senior management.				
Produces regular and ad-hoc or complex financial and operating reports. Evaluates and analyzes a variety of complex financial reports and data. Determines accuracy of financial data submitted. May reconcile financial data from multiple sources and make correcting adjustments. May develop forecasts, projections and recommend strategies. Develops conclusions and recommendations and communicates orally or in writing to management.				
Directly or indirectly manages all staff assigned, usually through subordinate managers or supervisors. Determines organizational structure, reporting relationships and short- and long-range staffing needs based on goals. Reviews and approves hiring and salary actions to ensure compliance with policy. Oversees performance appraisal process for staff and remains informed of any disciplinary actions required.				
Directs the delivery of financial reporting services. Sets and communicates priorities and performance standards and assesses operations using these criteria. Provides for quality assurance reviews and addresses areas in need of attention.				
Provides internal financial consulting services and advices on complex or technical financial issues. Serves as key resource on financial projects. Interfaces with faculty and/or staff necessary to complete assignments. Resolves problems or questions referred by project staff or administrators.				
Develops financial operating and administrative policies and procedures. Directs the dissemination, interpretation and application of financial or administrative policies and procedures. Interprets applicable laws, rules and regulations, as well as university financial policies and procedures.				
Develops, enhances and maintains automated or manual systems and procedures to facilitate and support financial operations. Ensures that internal systems complement university-wide systems.				
Liaison with all financial departments within the university such as Restricted Fund Accounting, Facilities Management Services, Treasurer's Office, etc. Collaborates with financial departments to explore alternative solutions to problems.				
Represents the department and/or university as an authority in field. Responds to requests for information, advice or assistance from colleagues, professional or industry associations, etc.
