Other Job Factors

JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Owns and oversees the analysis, design, development, implementation, and evaluation of non-academic university learning systems and course management. Maintains learning systems alignment, communicating roadmaps and assisting in ensuring learning programs are delivered on time and within budget.				
Provides direct customer support services for learning services (e.g., production, course publication and assignment, reporting and troubleshooting). Identifies system requirements, bugs, issues, and risk, and tracks and monitors performance and compliance. Responsible for sustainment and daily maintenance of application configuration and operations (e.g., course installation, security, upgrades).				
Requests, obtains, and accepts necessary input and approvals regarding integrated learning tools and system updates. Meets with relevant stakeholders, as appropriate, to determine effectiveness, needs, and prioritization of learning. Oversees vendor relationships, collaborating with management and other stakeholders to establish consensus regarding system requirements, feasibility analyses, and possible solutions to meet functional and technical specifications.				
Provides functional leadership and supervision to support staff. Develops and leads learning system projects, utilizing standard project management tools and techniques for analysis, problem-solving, and successful implementations. Researches and assigns tasks to meet needs and make decisions regarding department requests.				
Maintains comprehensive technical expertise of learning systems design, installation methods, and troubleshooting, as well as currency with developing technology-based learning trends and changes to policies, procedures, and regulations. May participate in relevant professional organizations, maintain memberships, attend conferences and training seminars, and recommend such activities for staff development, as approved.				
Promotes an environment that fosters inclusive relationships and creates unbiased opportunities for contributions through ideas, words, and actions that uphold principles of the USC Code of Ethics.				

Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue
