## Other Job Factors

## JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Designs unique and effective process improvements with key stakeholders in mind and using design thinking principles. Educates users responsible for managing and operating business processes to maximize operational efficiency. Contributes to change management activities (e.g., training sessions). Oversees a team of process improvement professionals to identify opportunities to improve efficiencies and/or resolve process pain points within functions. Ensures initiatives are well documented and improvements are designed to support the end user. Evaluates complex solutions to ensure fulfillment of business requirements.				
Leads design thinking workshops in order to understand existing pain points, identify business objectives and recommend thoughtful solutions. Works closely with stakeholders across the university to understand perspectives and push functions towards innovative solutions. Continuously gathers documentation and stakeholder feedback and insight into relevant processes				
Communicates process gaps based on in-depth research, and influences senior business leaders to take action to change processes. Presents process maps, documentation, metrics, and insights in an accessible manner, conveying appropriate urgency and priority. Gathers feedback from process improvement team.				

## JOB ACCOUNTABILITIES

	<i>% Time</i>	<i>Essential</i>	<i>Marginal</i>	<i>N/A</i>
Advocates for the end user in process or solution design sessions. Evaluates design and development options, considering stakeholder recommendations and knowledge of best practices. Addresses resistance to process improvements through education and robust change management strategies that align process improvements with achievement of business objectives. Develops metrics to measure impact of process improvements on performance. Conducts root-cause analysis for any failures, issues, or challenges that arise.				
Utilizes design thinking principles and in-depth research to identify high-value improvements to internal processes. Maintains currency with design thinking leading practices, research techniques and tools, and department-specific and higher education leading practices. Conducts research on emerging products and services that can support the needs of the organization.				
Encourages a workplace culture where all employees are valued, value others and have the opportunity to contribute through their ideas, words and actions, in accordance with the USC Code of Ethics.				

## Other Requirements

<i>Essential:</i>	<i>Emergency Response/Recovery</i>	<i>Essential:</i>	<i>Mandated Reporter</i>
	In the event of an emergency, the employee holding this position is required to “report to duty” in accordance with the university’s Emergency Operations Plan and/or the employee’s department’s emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response efforts, and mobilize other staff members if needed.		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law and USC’s policy at: <a href="https://policy.usc.edu/mandated-reporters/">https://policy.usc.edu/mandated-reporters/</a>
<i>Campus Security Authority (CSA)</i>			<i>Essential:</i>
By virtue of the associated job duties, this position qualifies as a Campus Security Authority as required by law and USC’s policy at: <a href="https://dps.usc.edu/alerts/clery/">https://dps.usc.edu/alerts/clery/</a>			

## ACKNOWLEDGMENTS

The above statements reflect the essential and non-essential functions as necessary to describe the principle contents of the job. They are not intended to be a complete statement of all work requirements or duties that may be required of the position. I understand that I may be asked to perform other duties as assigned. USC reserves the right to add or change duties at any time.

The University of Southern California is an Equal Opportunity Employer. USC prohibits discrimination on any basis protected under federal, state, or local law, regulation, or ordinance or university policies. All employment decisions are based on individual qualifications and business need.

I acknowledge receipt of this job description and its associated physical requirements. I have read and understand the job description and job requirements and agree to abide by their contents. I realize that duties may be requested of me that are not specifically stated herein. I understand that I will be expected to adjust to potential fluctuations in work volume. I understand that, if I have any questions about the essential functions or expectations of my position, my supervisor and/or HR partner are available to discuss them with me.
