## Other Job Factors

### JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Oversees the delivery of training sessions in managed classrooms and auditoria throughout the university, Leads material design and maintenance of training programs and activities. Designs and executes a master training plan, determining optimal delivery vehicles to meet demand within budget constraints. Regularly reviews and revises training catalog to assure optimal fit with the organization's needs.				
Prepares trainers to deliver sessions using "train-the-trainer" model within ITS and ITS-supported university projects. Optimizes training schedules in alignment with organizational initiatives and projects. Tracks and assesses emerging learning tools and methodologies, and best practices in technology, higher education, and other relevant industries, enabling staff professional development and performance improvements.				
Drives optimal impact of training activities and ensures continuous improvements, developing and evaluating frameworks to measure effectiveness. Performs needs assessments to determine the appropriate mix of training courses for different stakeholder groups. Consults with project teams (e.g., software implementations), developing project-specific training plans as needed. Works with key ITS and external stakeholders to develop holistic standards and strategies for events, councils, and campus-wide initiatives.				
Supports the engagement, culture, and communications team's vision, developing resources that leverage innovative technology tools aligned with ITS needs and capacities. Aids the cultivation of an equal-opportunity culture and environment, and actively embodies ITS values and behaviors (e.g., accountability, ethics, best-in-class customer service) through the implementation of standards and cost-effective, leading solutions.				
Encourages a workplace culture where all employees are valued, value others and have the opportunity to contribute through their ideas, words and actions, in accordance with the USC Code of Ethics.				

## Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law
