JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Directs, implements and evaluates the university's comprehensive captive insurance programs. Designs and manages short- and long-term business plans aimed at providing stable risk-transfer mechanisms for financial exposures that reduce costs when compared to the commercial market. Ensures captive programs achieve business goals, provide competitive premiums for the university, and create value-added benefits for key risk mitigation and loss management stakeholders.				
Establishes, drives and monitors risk mitigation best practices. Collaborates with risk management departments across the university and its medical centers to identify insurable risks and determine which exposures are best served by captive programs. Reviews and ensures accuracy of language for all insurance procured for the university. Assists with data collection and oversight of claims processing, reporting and tracking.				
Ensures compliance with all relevant policies and regulations in all states, countries and/or territories where the university operates. Selects and oversees third-party administrators and internal claims handling functions. Serves as primary contact for regulators and managing vendors in various fields. Identifies opportunities for improvement in claims handling processes and best practices by line of business.				

JOB ACCOUNTABILITIES
